

Prepare yourself for the
DipIFR exam in June

Gain international qualification developed by ACCA

ACCA DipIFR course packages

Raise your professionalism in IFRS to the next level

The ACCA Diploma in International Financial Reporting (DipIFR) is an international qualification in IFRS developed by the leading professional accounting organization, the Association of Chartered Certified Accountants (ACCA). Obtaining this qualification will raise your professionalism in IFRS to the next level.

About the offer

To whom do we recommend our trainings?

This programme is intended for professionals working in accounting, audit, and finance who want to take a qualification exam in International Financial Reporting and broaden their knowledge of the theoretical and practical aspects of IFRS.

Pass guarantee

In case of failure of the DipIFR exam, students who have completed all course parts and taken the two practice exams (all questions attempted and answered) will be granted access to the same course curriculum in the next semester. The pass guarantee does not apply to payment of the exam registration fee, which must be paid repeatedly regardless of the pass guarantee.

What will you gain?

1. Knowledge

A deep knowledge and understanding of the main principles of IFRS.

2. Skills

IFRS reporting skills, including the consolidation of financial statements

3. Experience

Practical experience in preparing IFRS financial statements.
