

DipIFR training programme

Study Plan

ACCA DipIFR training course

Our training course is designed to develop your knowledge and understanding of International Financial Reporting Standards. You will learn how to apply them and also get acquainted with the concepts and principles which underpin them.

The course combines individual self-paced learning with live online sessions and will prepare you for the international ACCA DipIFR exam in December 2025.

This document sets out the time schedule of your DipIFR learning journey.

It is highly recommended to accomplish all video materials (Foundational learning modules Part 1, Foundational learning modules Part 2, and Advanced learning modules) prior to Practice exam 1.

This is key to your exam success!

Depending on when you start your learning journey, you will have the following optional Energiser Session available:

19 September, 10:00 - 10:30 EET Energiser Session – optional (live, online event)

Please note: The aim of these Energiser sessions is only to give you the opportunity to ask any questions you may have after watching the video recordings. We will not start practising with the tutor in this phase.

29 September, 10:00 – 17:30 EET Practice exam 1 (live, online event)

1st Practice exam and marking with the tutor - You will receive the practice exam questions in the relevant learning phase (following the same exam paper structure as you will have at the exam). You have to login to a live online event and do all the workings in excel and word with your camera turned on. After the 3h 15 minute session, in which you work alone, launch the marking session, in which you will learn the correct answers and can mark your answers.

9 October, 10:00 – 13:30 EET Tutor-led exam focus session 1 (live, online event)
