## ACCA Face-to-Face preparation courses

### What is ACCA?

The Association of Chartered Certified Accountants (ACCA) is one of the largest and fastest growing international accountancy bodies. ACCA has been in existence for over 100 years. It is recognized and respected in 181 countries and currently has over 198,000 fully qualified members and 486,000 students worldwide.

### Who should attend?

These intensive preparation courses are intended for professionals working in accounting, audit and finance who want to gain an internationally recognized qualification and become members of the Association of Chartered Certified Accountants (ACCA). Participants will broaden their knowledge of the theoretical and practical aspects.

Our aim is to support you with theoretical and practical preparation for ACCA exams.

### Benefits of attending

- You will learn from ACCA-qualified professionals with many years of practical experience
- We will guide you through the whole study process – including administration and/or preparation of an individual study plan
- You will have the opportunity to work on practical tasks and receive personal assistance and practical guidance
- Networking with other students

### Objectives

The intense preparation courses will help participants with the needed knowledge and practice for passing the ACCA exams part of the ACCA Qualification.
