

European Innovation Council Accelerator (EIC Accelerator)

EU funding of projects under the Accelerator program of the European Innovation Council

Funding rate: up to 70% of eligible costs or up to EUR 2.5 mln for research and development activities and capital investments of up to EUR 15 mln.

Eligible applicants: startups, small and medium-sized enterprises and small mid-caps enterprises (up to 500 employees) in some cases

Projects requirements: to develop highly innovative products, services, technologies or business models with a high level of technological readiness (*TRL 5/6 and higher*) with the potential to create new markets.

Application process:

- **Short project proposal** – includes short summary of the project idea and filling out online forms, short presentation and short video;
- **Full project proposal** – developed after approval of the short project proposal;
- **Interview** – after approval of the complete project proposal;
- **Negotiating the conclusion of contract.**
